Winemaking The grapes are hand-picked in small trays. The grapes are picked when the potential alcohol

is 10.5% and the total acidity is 11g / l. The grapes are pressed with stems and the must is cooled and fermented for ten days. Yeast and sugar are added for the second fermentation using the

classic method, in March / April, the year after harvest.

Ageing 60 months on the lees, pas dosé

Sugar g/l 1,6 g/l

About the vintage An excellent year in Chianti Classico. The summer saw low rainfall and high temperatures in July

and August. The important temperature excursions between day and night produced wines with high levels of aromatic profiles and excellent acidity. This vintage highlights sangiovese's features:

extract values, anthocyanins, polyphenols and unique and concentrated varietal aromas.

In the glass Our surprising Blanc de Noirs is produced in a limited edition and intended for life's festive

highlights. It has aromas of candied fruit, almonds, lime and hints of croissant and toast.

It is fresh, balanced and with a creamy finish.

Combined with food A serious sparkling wine that is easy to combine with food, suitable for fried zucchini flowers

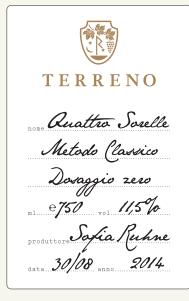

filled with ricotta and with appetizers like toasted bread, arugula, and tasty pecorino cheese.

About the winery The Ruhne family, started making wine in Chianti Classico in 1988. The vineyards and wines have

been certified organic since 2014. Today Terreno is 100 percent self-sufficient to satisfy the needs of the estate. The aim is to pass on Terreno to the next generation in a better condition than when it was taken over. Terreno also strongly believe in the division of Chianti Classico into 11 villages

and that wine, food, and beauty help making the world a better place.
